NANCY
BORTZ

Foreword

As we reluctantly bring down the curtain on another gala show of events, we think especially of the fond days we spent under the A.H.S. big top. In this treasure album, we, the *Comus* staff of 1954, have endeavored not only to portray the graduates but also through the eye of the camera to present the main acts and side shows. By these pictures we hope to recall to forgetful minds the work we did and the fun we had here.

Thus we sincerely hope this book will in years to come rekindle the dormant love and loyalty for our dear Alma Mater, so that the galaxy of golden mellowed memories we have now, will never die.

Before the dust of time has settled on the cover, we hope that *Comus* 1954 will have formed a never-breaking tightrope between the Allentown High School we love and the world it has prepared us to conquer.

We are sobered when we realize that very soon we will join the long line of A.H.S. descendants. As our contribution to the traditions of Allentown High School, we leave this volume.

The New Look

A strange bareness greeted us as we returned to Allentown High last fall. The trees were gone and fresh brown soil and a door-to-corner sidewalk replaced the roots and lawn worn thin. Before long new flowering trees were planted, grass seed sown, and preparations made for shrubbery. With new landscaping in process we will enjoy the beauty of a new front campus before we can forget the old shady lawn.

The Old Look

Trees — no more shade the walks and protect us from the morning sun. During the summer of 1953 they were removed because they had served their purpose and were now rooting the lawn and pushing up the sidewalks. Progress moves on and the old trees, too, were removed in place of something better — smaller flowering trees. This is a reminder of those years we have known so long and will remember even longer.

Alma Mater

DOROTHY NEWHARD KNOFF, 1913

WARREN F. ACKER, 1900

The musical score is written for piano and voice. It consists of five systems of music. Each system has a piano accompaniment on the left (treble and bass clef) and a vocal line on the right (treble clef). The lyrics are written below the vocal line. The key signature is one flat (B-flat) and the time signature is 4/4.

System 1:
 All hail our Al-ma Mat-er dear, Our voice of praise and glo-ry hear, To
 Through-out the land, of you we'll sing, Loud will our praise-es ev-er ring, Of

System 2:
 whom all rev-er-ence we bear, Of you for-get-fal we'll be ne'er, We
 days that have passed by, Fond mem-ries of dear old high Oh,

System 3:
 fur-ev-er for you yearn, And cher-ish all that we may learn, Through
 Al-ma Mat-er hear our praise To you all hon-or we do raise, Through

System 4:
 fi-ture days of life, 'Mid joy and strife;
 fi-ture days of life, 'Mid joy and strife;

System 5:
 True may we stand, both to you And Ca-na-ry and Blue.
 True may we stand, both to you And Ca-na-ry and Blue.

TROLLEYS

Gone forever is the Clang! Clang! Clang! of the trolley cars in Allentown. We can look back to the good times we had riding to and from school each day. Many a homework problem was checked here and many pranks were played. They are now but a memory.

The Old and The New

BUSES

We are now being served by a fleet of buses. Because of their flexibility they have made our school journeys more pleasant. There is not as much pranking and less checking of homework, but the Toot! Toot! Toot! is a welcome sound and ushers in a new era of community improvements.

FACULTY

Clifford S. Bartholomew

Mr. Chips . . .

CLIFFORD S. BARTHOLOMEW

Our Principal

Mr. Bartholomew, our principal, has the unusual distinction of becoming principal of his Alma Mater. Because he once studied in our same classrooms, he has a better understanding of our immediate needs and problems, therefore, he is most capable in helping us solve them. Willing to help us at any time, he has made our years at high school pleasant and profitable.

Mr. Bartholomew's belief in our school has been upheld by the recent evaluation. The evaluators noted that Allentown High School has been accomplishing the aims set forth in its philosophy. Commendations were made to the faculty and congratulations were extended to the student body for their splendid cooperation.

We, the class of 1954, are deeply indebted to Mr. Bartholomew for the educational opportunities afforded us by the faculty, under his leadership. We shall always remember his sympathetic consideration for us during our high school days.

MR. PAUL FATZINGER

Administrative Assistant

Ever since he came to A.H.S. three and one-half years ago to serve as administrative assistant to our principal, Mr. Paul Fatzinger has won a place in the hearts of all.

For many years to come, graduates and underclassmen will remember the little man with the deep voice who handled discipline and attendance so capably. His untiring work in managing assembly programs, visual aids, the Blue Book, and Comus advertising will never be forgotten.

His advice to us upon going out into the world is, "Know something about everything and everything about something."

LEROY MILLER

MIRIAM BOYER

Counseling Offices

Planning a successful high school life as well as a successful and worthwhile adult life for the student at Allentown High School is the job of our tireless counselors, Miss Miriam Boyer and Mr. LeRoy Miller.

Choosing a career and mapping out a curriculum are personal problems, and for this reason emphasis is placed on individual rather than group guidance. The guidance counseling services help to make the difficult task of choosing a career easier.

The testing program includes mental ability tests and scholastic aptitude tests which are administered in group form. Interest inventories, reading tests, and mechanical aptitude tests are given on an individual basis. A student may also take tests to discover in what particular field his talents lie. This is a helpful aid in choosing a career.

Throughout a student's years of public schooling, a record of all achievement tests and scholastic aptitude tests is kept as a part of that student's permanent record.

The counseling offices also make available numerous college catalogues, technical school pamphlets, and career booklets. They also arrange personal contacts with representatives of colleges and industry where pupils get first hand information about their future needs. The pupil now has a better chance to plan his life's work because he can be shown the advantages or disadvantages, chances

of success, and the salary ranges of his chosen vocation. Acceptable lists of colleges and other training schools are also posted to guide the student in selecting his college.

College preparatory students are only a small group of the students who receive services through the counseling offices. On the basis of the tenth grade aptitude, interest and achievement tests, the students choosing the Business Education Course are placed. Students of the General Course and the Distributive Education Course are also guided toward the richest program to meet their abilities. The Vocational Shop boys are placed in the shops that challenge their ability. Another function of the counseling office is to act as a placement bureau for part time jobs as well as post graduation work. There is also a follow up service to check the success of our graduates.

Thus the counseling offices are designed to aid all students in making the best for their high school years and to help in patterning the future. Through the efforts of Miss Boyer and Mr. Miller, who constantly give their time to student conferences, and often exceed their line of duty in guiding pupils along the right path, most Allentown High graduates are able to face the future intelligently and are well equipped for life ahead.

Retiring Teachers

The faculty of A.H.S. is one that the community can look up to with pride. However, each year there are new faces to replace those who have reached the point of retirement. These few will now leave the hustle and bustle of the classroom to seek the peace and quiet lives they have so well earned.

To Mr. Warren Fritsch, a teacher of Latin and German, Mr. Leon Klingaman, instructor of Economic Geography, and Mr. Fred Minner of the Social Studies Department we wish many years of health and happiness. We, together with hundreds of alumni, who have sat in their classrooms and benefited by their words of wisdom and advice, will always remember and cherish their interest in the individual and their loyalty to Allentown High School.

May the future shower its blessing on each one of them and may the record show that they are of the group that has done its work well.

ENGLISH

HELEN GERHARD
*Head of English Department
C. P. English IV*

English is required of every student at A.H.S., no matter what course he may choose. Four years of English are recommended for entrance to college, and for any other job, a good English background is essential.

This department aims to give a complete understanding of the English language and its usages in grammar. It also aims to instill in us an appreciation for good literature. In the junior year, American authors and their works are studied while in the senior year, English authors and their works are brought into the foreground. Finally, one of its most important aims is to aid us in public speaking. The ability to speak extemporaneously as well as to give a prepared speech well, is a fine quality which is being developed in us. This ability of expressing ourselves clearly is more important than ever before in patterning the future ways of life in America.

PERRY SCOTT
United States History

In social studies classes we are taught to be worthy citizens of our nation and community and to meet future problems by setting the example of our heritage before us.

History, both of the United States and of the World, and Problems of Democracy are required of every student in order to graduate. Everyone should know the history of the nations of the world, and particularly of the United States. We should know the causes of the past wars in order to prevent future wars. After we know this, we can promote better understanding and international friendship among the countries and nations of the world. This is the basic step toward world peace.

Arithmetic, Related Math. I

The objective of the mathematics department is not only to teach the mastery of fundamental skills, but also to develop in us the ability to think and solve the many practical problems in our lives today. This department includes plane geometry, solid geometry, algebra, trigonometry, and general business, and shop math. Because mathematics is the basis for various courses in science and engineering, many college students could not succeed without a thorough understanding of it. Thus the mathematical language is almost as essential in the world as is the English language, for mathematics is a universal language. One of the most vital weapons today is this ability to think clearly and to analyze problems carefully.

CARL KNALSS
Physics

Our science department introduces us to the marvels of nature, instructs us in its intricate workings, and helps us prepare for the future both academically and practically. A student may elect biology, chemistry, physics, and human biology during his three years at high school.

Each day, the scientist is becoming a more important person in our everyday lives. The world runs on science and here at high school, we are preparing our boys and girls for the world's future scientists. Who knows? Another Einstein may be among us! The job of the science department is to discover him and develop his talents.

Scholarship Boys' Advisor*

The language department is designed to give us first-hand experience with a foreign language. Latin is very useful in building up a good English vocabulary since a large percentage of our words are derived from the Latin language. Spanish gives us a better understanding of our neighbors, the Mexicans; and, French and German are just as helpful. These four languages offered give the student a sympathetic understanding of other peoples and their customs as well as a knowledge of the language itself.

Under a unique program of regular school instruction and on-the-job training, the Vocational Technical Course teaches trades in preparation for industrial work.

These students attend their classes in related subjects and then shop classes alternately. This means that they attend classes for three weeks without attending any shops. For the next three week period they spend their entire time in the shop classes without attending their related classes.

The related subjects include mathematics, science, drawing and blue print reading. Besides these they must pass classes in English, History, Problems of Democracy and Physical Education in order to complete the requirements for graduation.

The technical courses they may choose are numerous. Among them are related and busy work and painting, automobile mechanics, bricklaying and plastering, cabinet making, carpentry, drafting, electric shop, radio and electronic wiring, motor winding, technical electronics, radio and television and radio repair, machine shop, plumbing, printing and welding which includes steel metal work.

During the second semester, students become eligible for employment training under the Co-operative Program. This experience gives them such a thoroughly trained background, that when they graduate they are immediately prepared to enter their living by working in their specialized field of industry.

Better homemakers are better citizens and this everyday function of living is presented to make a well-rounded course for those desiring a broader education. The program includes home management, foods, home decorating, the latest trends in styles, budgeting, shopping habits, good grooming, manners, dating, and marriage.

Our special courses are meant to make us more fully aware and acquainted with today's complex life. Driver Training teaches us to drive more efficiently and safely. The Distributive Education department is run on a co-operative basis with the local merchants and teaches retail selling. Our modern library includes a vast assortment of fiction and research material. It is open to everyone.

The news-carriers under the circus big top.

The CANARY, the A.H.S. student newspaper, is published bi-weekly by a staff of students. Selections to the staff are made upon the recommendations from teachers and also from Junior High records. Tryouts are conducted each year to determine position on the staff. The editorial supervision is under the direction of Miss McConnell and the printing is done by the print shop boys under the watchful eye of Mr. Bixler.

The CANARY has been a consistent award winner in state and national press conferences and is always rated high. Positions on the staff are coveted. To finance this project and still keep the subscription price popular, the staff each year sponsors a Variety Show.

Their cameras catch the show in action.

The Cinema Club has taken over 1400 pictures of all types of school activities this year. Under the guidance of Mr. Robert Brong they have been trained to snap scenes for the COMUS and the CANARY. A file of all pictures is maintained and pictures are available as a record of the school's progress.

Club membership is limited to students who have had experience in photography and have special aptitudes in this field. Through working with various types of cameras and developing equipment they gain practical experience. This year they branched out into color photography and made a record of the senior activities on color film.

The National Honor Society of 1953-54 had a membership of seventy-four. Girls greatly outnumbered the boys. The faculty, parents, and the members of boys and girls directly selected the members on the basis of scholarship, citizenship, leadership and character. Members are selected from all High School Courses.

Due to the condition that members of this society are also engaged in all of the school activities, the program of activity has been curtailed within recent years.

They give their service to the circus willingly.

The Allentown High School Key Club, a nationwide organization, is sponsored by the Kiwanis International. Service is the chief purpose of this scholastic fraternity.

Junior high school principals and members of the faculty recommend the members to this club. Qualifications of the applicants are presented and voted on by club members.

Among Kiwanis at the Allentown Fair, holding their annual Picnic Banquet, ushering at the Junior Class Play, sponsoring dances and donating toys to the Good Shepherd Home composed some of the various activities of the Key Club.

This year the Pennsylvania State Key Club Convention was held at the Americus Hotel. As host club, they aimed most of their activity toward this project.

Under the able direction of Mr. Zimmerman and Mr. Buxton, the Key Club has become a valuable aid to the school and students.

They are seldom swayed in their debates.

The Pi Sigma Chi Girls Debating Society has three main purposes. Their formal and informal debates help to better inform the members on current events, to improve their ability to think logically, clearly, and effectively, and to develop their speaking skill.

The meetings are held at the girls' homes every two weeks. One of the most heated debates was the one with the Orotans. The girls ended their season with a picnic at the home of their sponsor, Miss Dorothy Schlicher.

Prospective members are required to make trial debates. It is from these debates that members are selected.

Bicknell.*

They who argue best are the most convincing.

The Omicron Delta Sigma, commonly known as the Orotan Debating Society, was founded to further the cause of debating, to improve its members' concept of logic, to increase their faculty of analysis, and to promote a spirit of fraternity. Through these aims, the boys of the society, under the sponsorship of Mr. Raymond Waller, have learned to appreciate the problems of the day.

Their meetings are held bi-monthly at the homes of the members, at which time they participate in debates, panel talks, and round table discussion. Membership to the fraternity is by trial and election of the candidates.

<i>President</i>	JOHN DUSSINGER

Antes que llegue el día de conocimiento, La aurora de interes se levanta.

Inter-cultural good will comes through understanding. It is the heart of the student Pan-Americans and their sponsor, Mr. Raymond Waller.

Slides, movies, and speeches given by guests help acquaint the members with our South American neighbors and their customs.

Reports on various phases of South American life are given by members. The opportunity to correspond with Latin American students helps to further understanding.

A Mexican styled Christmas party with the traditional ponata and a Pan American Day Banquet helps to promote interest in inter-cultural activities.

Necessite est mere d'invention.

The French language, customs, and songs were studied and discussed in the French Club. With the help of Miss Swope, the club discussed many phases of French life.

Miss Swope also made the activity an interesting and profitable one by relating some of her own experiences in "Gay Paree."

The club is open to all pupils either studying French or not. Lectures by outsiders, and studies of French records and pictures are featured among the numerous activities.

Fremde Sprachen Erklaren Mutter Sprachen.

Once a month the doors of room 211 swing open to German students who comprised the German Club. With the aid of Mr. Richard Miller, the members furthered their knowledge of the German language and German people. This provided more information than can ordinarily be gained in regular class time.

In addition to singing German songs, playing games long used in the Rhineland, studying the customs and philosophy of their German friends, the members were enlightened by slides and talks.

This year the German Club's project was a unique Christmas dinner with all the trimmings. All students of German were invited and participated in the program which followed.

Is qui sapiens est, est dives.

The Preamble to the By-Laws of this club, which is sponsored by Mr. Warren Fritsch, states its purpose: "To better develop our abilities in the study of Latin; to improve our conception of ancient ideals; to advance our faculty of analysis; to add weight to the argument that Latin is by no means dead; and to promote a spirit of fellowship."

With this aim in mind, the club spent their meeting studying modern-day humor, making and working out interesting crossword puzzles, and singing Latin songs. Interesting reports were given by members of the club, and one hour was spent translating from the Latin newspaper, "Res Gestae".

INDUSTRY IS THE PARENT OF SUCCESS

Those boys expecting to enter engineering have found assistance and experience in the Engineers Club under the direction of Mr. Neely and Mr. Reichard.

The club has divided their year's activities into two sections. The first half has been devoted to work with the slide rule. During the second half, there have been programs relating to different phases of engineers. Included in these divisions have been lectures from neighboring industries, interviews with other engineers, and field trips through local plants.

The atom splitters of the modern scientific world

The Physical Science Club was organized to give students a chance to develop projects in Physical Science. These projects may be used as qualifications for the Westinghouse Science Talent Search, and as displays in the National Honor Society Hobby Show and especially the Science Fair.

The club is open to all students and is affiliated with Science Clubs of America and the Pennsylvania Junior Academy of Science.

This year the Lehigh Valley Science Fair was held at the new field house at Muhlenberg College. Mr. Reichard, club sponsor and president of the Science Fair Executive Committee, organized the Fair eight years ago.

To help the members with their projects the club went to Philadelphia to visit Franklin Institute and also to the RCA Victor Company in Camden, New Jersey.

They're out of this world.

A newcomer in school activities this year is the Science Fiction Club sponsored by Dr. A. L. Billig. One of the goals of this organization is to develop creative writing in the area of science using a background of fiction. Sharing of ideas and discussing the already published fiction takes up much of the club time. The theory is that the science fiction of today may, in all likelihood, be the buttress of tomorrow's science.

One of the highlights of this year's activities was a talk by a local science fiction fan on the evolution of this type of writing.

The strong supporters of the musical show.

The A Cappella Choir has long been known for its entertaining presentation of worthwhile choral repertoire. This season proved no exception. The choir sang its way through its most spectacular season. Under the capable direction of Richard Norbert and assisted by two organists, Gloria Smith, Denise Newbold and Louise Fetzke, the choirsters brought the art of singing worthwhile music, both a capella and accompanied.

Thus year, for the first time, the 1911 contributors to the yearning of Christmas spent by rolling in some of Alhambra's hospices, or, better, stories. By far, their most ambitious project was the Spring Concert. Lured as one of the best executed Alhambra High School. Soists, Ianto Herley, Alfred Barre, and Norman Jones, a member of the choir, and the singing of Schubert's Mass in G Major, No. 2, made it a memorable occasion for all present.

Four members represented Allentown High School at the annual P. M. E. A. Choral Festival and one member attended State Chorus. A trip to New York provided a suitable finale for the 1953-54 choral season.

Row three—Trumpet: Delmar Steedle, William Stamm, Roland Kraus

Their ten fingers produce the circus dance band.

The Canary Cavaliers, the high school dance band, is sponsored by Mr. Meyers and has for its student leader Edward Pavlick. The Cavaliers were featured this year in the Variety Show, assembly programs and exchange programs with other schools.

The band played for many school dances, especially those sponsored by our clubs. They also conducted their own dance to earn money for music and other expenses.

Membership in this band is selective, depending on the ability to perform satisfactorily with this type of music. Once selected there begins a routine of rehearsals which attests to their fine performances and builds up a solid friendship among the members.

ALBERTUS MEYERS

A. H. S. Marching Band

*The prelude to a great
circus performance.*

A.H.S. Marching Band consisting of 125 pieces, together with its complement of majorettes and color guard, has made a name for itself throughout the state for its fine performances during the football season. Dressed in canary and blue uniforms, they thrilled the crowds with their various formations during ball game.

We cannot overlook the fact that their marching came second to the fine quality of the music with which they favored us on so many occasions.

Whenever there is any civic parade the A.H.S. Marching Band is always a favorite.

Leader Albertus Meyers

Row two—Dawn Berger, Lois MacDonald, Audrey Odenheimer, Mr. Albertus Meyers, Geraldine McAllen,
 Elaine Leihensperger, Margie Van Gilder, Nancy Mulberger

Precision comes from high-stepping perfection.

The pep squad Meadown High School majorettes of 1953-54 represented our school well. The majorettes, with Madeline LeFevre as the lead and Elaine Fenstermaker and Dolores Wieder as her assistants, were sponsored by Mrs. Helene Hospodar.

The twelve squad members could be seen entertaining the crowds during the halves at most of the football and basketball games. They also took part in many city parades during the year. Their favorite formations include the Sailor Drill, the Cowboy Drill, the drill used at the Albertus Bethlehem pep rally, and the Christmas Drill featuring Santa Claus.

Clever formations and fancy baton twirling were important assets to their popularity with the spectators.

Cheerleaders

Lois Moyer

Left to right—Marlene Williams, Louise Fritch, Gerry Kesack, Judy Gangwer, Nancy Huber, Diana Koeh, Marry O'Neil, Kathy Bauer, Bernie Heil, Carol Coles, Phyllis Kraus

Success of the show depends upon the enthusiasm of the audience

Under the leadership of Lois Moyer, the cheerleaders have worked hard adding color, exuberance, and school spirit to athletic contexts and pep rallies.

With Mrs. Steckel as their sponsor, the twelve girls have practiced diligently every Friday morning, and the results of their work could be seen in the perfect timing of their cheerleaders.

To be a member of the A.H.S. cheerleading squad is a great honor. A cheerleader one year is not automatically on the squad the following year. They all must try out again. Girls are permitted to try out regardless of previous experience. Each year there is a great number of candidates and the competition is keen. The girls are selected not only on ability but on personality and cooperation as well.

Girls' Gym Clubs

DANCE
CLUB

ADVANCED
TUMBLING
CLUB

They prance, jump and

The four special girls' gym clubs serve the purpose of developing and increasing the skills of A.H.S. girls in coordination, timing, and ease.

The tumbling clubs have been divided into the beginners and the advanced groups. Those girls who wish to learn the fundamentals of tumbling find aid in the one division while those preferring to concentrate on specialties of tumbling such as back hand springs and head stands join the advanced group.

The Advanced Club offers an opportunity for those girls who have a desire to develop skills and feats that are the advanced tumbling class work. This year the girls have mastered their exercises on the horses and parallel bars in order to be represented in the gym exhibition.

CLUB

spring through the air.

The Dance Club this year based its activities on modern dancing and tap dancing. With the extra touch, many of the girls also developed a precision number. The members of this group acquire poise, grace and timing. All these characteristics are contributory to the success of the modern girl.

These girls also form the basis of the girls' precision drill team program which sponsors the girls' gym exhibition every other year. The increasing membership is a reflection of its popularity. The sponsors are, Helen Smith, Norma Stocker, Helen Hesse and Patricia Nesley, who are to be congratulated for their efforts and results.

Boys' Tumbling Club

Row two—John Zeigler, Richard Schmidt, Dale Baer, Robert Schiffner, Richard Gingell, James Reed, Ronald Acker
Row three—Donald Breisch, Robert Smith, Charles Clark

The acrobats and clowns provide the amusement.

For those boys interested, the Tumbling Club offers an opportunity to improve gymnastic abilities. Led by Mr. Schmidt, the boys become acquainted with all kinds of equipment and all phases of gymnastic tricks.

Each member is expected to master a particular piece of apparatus or type of tumbling. However, this is not to be done at the expense of neglect of other phases. They want to develop well-rounded tumblers and gymnasts.

With the help of trampoline, horses, springboard and other apparatus the club develops a routine self demonstration. These are presented to the students at appropriate times during the term.

Row four— Keith Wilcox, Larry Kraus, Ronald Braun, Alfred Schantz, Edward Hanna, Francis Garella, Tony Fadale, Bob Max, Thomas Foulds, Ron McQuilken, Terry Cox, Tom Fainot

Our Allentown High gridmen certainly held the spotlight during three ring time on the gridiron. 1953 was a highly successful season for our stars who, under the direction of ring master Perry Scott, chalked up a record of 8 wins, 2 ties, and no losses. Our boys succeeded in defeating our neighbors who include Bethlehem and P. burg and holding Easton to a tie.

Bob Bear led the scoring attack with 14 touchdowns for a total of 84 points. During the season the AHS Back Foundation conducted a most valuable player contest in this area, which Bear won and was rewarded with a trip to New York.

Radio Station WGPA conducted a contest to find the most valuable player of the Turkey Day game, and Bob Max of our Cadets was well deserving of this honor which he won.

Phil Petriskev led the way in the number of points after touchdowns with a total of 15 to his credit for this season.

We can be proud of our 1953 football team who presented such a wonderful array of talent on the gridiron. The fact that our team scored a total of 248 points for an average of 24.8 points per game against our opponents 44 points or an average of 4.4 points per game, is evidence enough of their gridiron prowess.

Row one Dale Kressly, Charles Fby, Ed Bannon, Phil Petruskev, Jack Sapoch, Velton Heckman, Henry Miller

Row two Bob Max, Lee Schweyer, Dick Fischl

A.H.S. 25 SOUTHEAST CATHOLIC 0

In the opening game of the 1953 season, our gridmen fashioned a convincing 25-0 victory over Southeast Catholic High School of Philadelphia. A.H.S. took over right from the start when Southeast fumbled the opening kickoff and Gareffa recovered for us. Wilson tallied the first touchdown for the Canaries in the first period with a five yard sprint off tackle. In the second quarter Bear chalked up runs of 34 and 37 yards respectively for two more A.H.S. tallies. Sapoch booted for a point after touchdown and the score stood 19-0 at halftime. The last tally for the Canaries came in the final period. Bear intercepted a Southeast pass and carried it down to the four. He carried two more times scoring finally from the one. This was the beginning of a highly successful grid season at A.H.S.

Quarterback
LEE SCHWEYER

Quarterback
RON LOPSONZSKI

A.H.S. 25 NORRISTOWN 18

The Canary gridmen, taking to the road for the first time, met a stubborn opponent in the form of Norristown. It was a seesaw battle all the way. In the first quarter, Eby recovered, in midair, an Eagle fumble and ploughed ten yards for the first A.H.S. tally. Our gridgers scored twice in the second period. Fischl outdistanced the whole Eagle team on a 27 yard sprint for paydirt. Miller, in like manner, galloped 23 yards for another TD. Sapoch kicked the extra point to give us a 19-12 lead at halftime. The last Canary tally came late in the third quarter when Bear circled left end on a 12 yard run to make the score 25-12. The Eagles of Norristown wound up the scoring by retaliating on the opening kickoff of the final quarter for the last TD. The final score found the Canaries the victors 25-18.

A.H.S. 39 SIMON GRATZ 6

The Canaries, in their third game of the season, downed Simon Gratz by a score of 39-6. A.H.S. scored in the first three minutes of play and the first time they gained possession of the ball. They paraded 70 yards in seven plays, with Fischl circling right end for an 8 yard touchdown. Soon after Heckman recovered a fumble, the Canaries covered 51 yards with Bear plunging over from the one. In the second period, after a long run-back by Schweyer, Wilson scored from the two and the score stood 18-6 at halftime. A.H.S. went all out in the third quarter, scoring three times. Fischl heaved a 22 yard pass to Kressly for one TD, Schweyer raced 32 yards for another, and a one-yard plunge by Max accounted for the third touchdown. Sapoch converted each time and, when the final gun sounded the score stood 39-6 in our favor.

A.H.S. 6 STEELTON 6

In a game marked by Allentown's fumbles and penalties, the Canaries tied a scrappy Steelton team, 6-6. The game, played on the Steamrollers' home field, was a battle from opening kickoff to final gun. The Steamrollers got their lone touchdown midway in the first quarter, to give them an edge on the Canaries. However, our boys were determined and, in the last period their determination paid off. The Canaries took to the air and a pass from Lopsonzki to Bear clicked for an A.H.S. tally. Gaining confidence from this TD in the final four minutes, they once again ploughed their way down to the five. They got no further, however, and when the final gun sounded, the Steamrollers and Canaries were still tied six all.

A.H.S. 34 — PHILLIPSBURG 0

The Canaries traveled to the home field of the Garnet and Grey of Phillipsburg. It was Allentown's game all the way as they scored a decisive 34-0 victory to break a jinx which started in 1937. This was the first time since then that our Canaries had won on the P-burg gridiron. We got going late in the second quarter when Schweyer heaved a lateral to Fischl who covered 63 yards for a touchdown. Petriskey converted for a 7-0 lead at halftime. The Canaries, in the second half, smashed the P-burg defensive with a total of four tallies. In the third quarter, Bear went over from the 4 during a Canary drive of 63 yards. Sapoch intercepted a P-burg aerial and, several plays later, Fischl scooted 44 yards for paydirt. Two more TD's in the final quarter finished the game. Bear went 17 yards for one with Petriskey converting, and Foulds, dashed 72 yards for the last tally. According to coach Scott, our Canary gridmen played an almost perfect game.

Halfback
BOB MAX

Halfback
DICK FISCHL

A.H.S. 41 — CENTRAL CATHOLIC 0

The Canary gridmen, playing their sixth game of the season, bounced their inter-city rivals, Central Catholic, by a score of 41-0. A.H.S. wasted no time and, with drives totaling sixty yards, scored in the opening minutes with Fischl passing to Miller who stepped over from the four. Petriskey converted the extra point for a 7-0 start. A.H.S. scored three times in the second period. Fischl scored on a short run and Petriskey converted for another seven points. Several plays later, Schweyer went across from the 6 and Petriskey again converted. Max later intercepted a Viking pass and, several plays later, went over for the tally. The score stood 27-0 at halftime. Early in the final period Bear ran 58 yards in three plays for a tally. After a Viking penalty and fumble, which A.H.S. recovered, Fischl went across for paydirt. Petriskey added the extra point and, as the game ended, we were victors once more, 41-0.

A.H.S. 27 — AQUINAS 7

In a triumphal game against Aquinas Institute of Rochester, New York, the Canaries continued their season-long brilliant play. A.H.S. started off, true to form, early in the first period. After runs which netted two first downs, Bear sped 35 yards for the first tally. Petriskey's conversion was good and we led 7 0. Halfway through the second period Schweyer took to the air and clicked with Fischl for a pair of passes totaling 35 yards. Here Bear got loose on a nine-yard run for paydirt to make the score 13 0. Early in the fourth period, after a pass by Fischl to Schweyer and a run by Max, Bear scored from the one with Petriskey converting to make our lead 20 7. Later in the final quarter, Schweyer picked up an attempted Aquinas punt, which had been blocked by Heckman, and scampered 12 yards for the final tally. Petriskey converted and, as the game ended, the final score stood 27 7.

A.H.S. 25 — ERIE CATHEDRAL PREP 0

In preparation for the big Turkey day game, our Canaries whipped the Ramblers of Erie Cathedral Prep, 25 0.

In the first quarter our touchdowns came in rapid succession. The first came on a pass from Fischl to Scheirer, the second on a 53 yard sprint by Bear, and a Rambler aerial, intercepted by Sapoch who ran 34 yards for the tally, accounted for the third.

The final touchdown for the Canaries came late in the fourth period when, after a recalled touchdown and penalty, Schweyer ploughed his way 31 yards for the tally. Petriskey's try for the extra point was good, and the final score showed the Canaries way out in front, 25 0.

A.H.S. 0 — EASTON 0

In a twice postponed game played on a muddy gridiron, the Red Rovers of Easton and our Canaries played to a scoreless tie. Two years ago when the Red Rovers invaded A.H.S. territory, that game, which was played in a downpour, also ended in a scoreless tie. Easton never seriously threatened the A.H.S. line but, although our boys had several opportunities, they couldn't get going because of the condition of the field. The closest either one got to the other one's goal was when A.H.S. came within 22 yards of a goal. However, both teams were handicapped and neither were able to do their best.

Center
PHIL PETRISKY

Center

A.H.S. 26 — BETHLEHEM 7

In the annual Turkey Day classic, before a crowd of 19,000, our Canaries uprooted Liberty High's Red Hurricanes to the tune of 26-7. The Hurricanes scored the first time they got possession of the ball on a play that covered sixty yards. However, several minutes later Max intercepted a Bethlehem pass and scampered 82 yards for our first kick. The try for the extra point was good, and the game was all tied up after the first minutes of the third quarter.

The second TD came at the start of the fourth quarter. Koch recovered a fumble and passed on to him and Max took it down to the two yard line. No more scores from here to give us a 14-7 lead.

In the third period, Herb Michel scored on a play covering 75 yards, going from Fischl to Sawyer to Michel.

After a blocked kick was recovered in the fourth period, Fischl scored on a 41 yard run around end. Petriski's try was good and the final score stood at 26-7.

KENNETH WILDONGER

Coach

Our A.H.S. Jayvee football squad, coached by Ben Greene and Ken Wildonger, closed out a successful season on the gridiron with a record of three wins, one loss, and two ties

Easton, Reading, and Northampton fell under the force of our yearlings, while they tied with Central Catholic and Bethlehem, and suffered their lone defeat at the hands of Phillipsburg.

Arthur Kulp was the team's leading scorer with 25 points on four touchdowns, and one point after touchdown.

These boys will become a valuable addition to our next year's varsity. They have been tested in action and have learned the game well

MILO SEWARDS Coach

Our Allentown High varsity basketball team had a successful season during 1954. Under the direction of Milo Sowards, coach; Paul Clymer, assistant coach; and Joe Blankowitsch, trainer; they won 19 games while losing only four, and they succeeded in capturing the East Penn League crown.

The Canaries captured both the first and second half championships in the East Penn League, winning nine games, and losing only one, the lone loss being to Hazleton.

John Mascali led the Canaries in scoring with 310 points for a 13.5 points per game average. Lee Schweyer was the top percentage shooter, connecting on 39 of 83 shots for a .470 mark. Bob Benner converted 50 of 82 foul shots for a .610 percentage to lead our team on the foul line. A real good record, and worthy of A.H.S. teams.

 Front row—Ben Greene—*coach*, David Hall, John Fodor, Dennis Reichard, Gary Fisher, Richard Markowitz, Arthur Kulp

Our Allentown High junior varsity basketball team completed a most successful season under Coach Ben Greene. Winning 16 games and losing 5 for a 76.2 percentage, they garnered a total of 1,209 points for an average of 57.5 points per game.

The Canary J. V.'s had several close and exciting games such as a 56-55 victory over Kingston, a 48-47 win over Reading, and losses to Williamsport, Bethlehem, and Central Catholic by only a three point margin. Perhaps their most exciting game was with Easton whom they defeated 37-35 in a double overtime. Denny Reichard became the hero of this game by dunking the deciding basket for Allentown.

Our J. V.'s also proved their superiority in upsetting Reading Central Catholic by a tremendous 73-19 score.

Dick Markowitz was top scorer for the season with a total of 279 points. These points were tallied on 97 field goals and 85 fouls.

There were 14 promising sophomores and three juniors on the team who gained good experience this season which will pay off in the next two years in bringing glory to Allentown High School.

Row three—Robert Fenstermaker, Ray Snyder, Ralph Doll, Robert Schuffner, Richard Schuler, Robert Mohr, Richard Bingell, Frank Rosade, William Helfrich
 Mr. David R. Hacker, Mr. Morton Sher

DAVID HACKER
Coach

Recovering from a poor start in which our Canary Mermen lost the first three meets, they splashed thru to win six straight and complete a successful season. Co-captained by Roy Snyder and Robert Mohr the team captured the District XI P.I.A.A. Eastern Regional Meet and later took fourth place in the P.I.A.A. State Championship meet at State College

The team, coached by Dave Hacker and assistant Morton Sher, developed several individual stars. Roy Snyder, Bob Fenstermaker, Ralph Doll, and Robert Mohr broke and set many pool records. Snyder several times broke his own records. With a mainstay of these swimmers there was the strong supporting cast that did so much to garner points and pave the way for greater laurels. Since much of the team is made up of underclassmen there are brighter hopes for next year

2.....Reading	4

Our Allentown High School netmen under the direction of Mr. Morton Sher, completed the 1953 season with a record of one win, two ties, and two losses. Most unusual about this record was that fact that Allentown and Easton played to a draw on two occasions.

Barry Rubin was high scorer for our team. Netmen Charles Schmerker, Barry Rubin, Dick Schuman, and Claude Wilson participated rather unsuccessfully in the Middle States Interscholastic Singles and Doubles Tennis Championships. Schmerker captured his first match, but unfortunately lost out in the second round. The hopes of the season were never dulled, and the racquet squad was always giving their best.

Canary Grapplers

Row one—Richard Fenstermaker, Charles Canning, Russel Rohrbach, William Tressler, Tim Strauffer.
Row two—William King, Paul Ruth, Ralph Ruth, William Snyder, Richard Bannan, Wayne Wolf, William Tressler.
Row three—Harold Gross, Harold Monk, John Dreisbach, Edward Bannan, Jimmy Moler, Ray Sensinger, William Strauffer.

Our Allentown High wrestling team, coached by Glenn Smith, came through with one of its best records in recent years, winning four matches and losing seven.

Our team took third place in the District 11 competition, scoring 23 points, and under the able coaching of Smith developed three District 11 champions. Russ Rohrbach, a freshman, in the 103-pound class; William Strauffer, a senior in the 154-pound class; and Ed Bannan, a senior, in the 165-pound class.

The boys on the team are to be congratulated for the fine job they have done this season with just a minimum of practice. The total weeks practice never exceeded three hours, and, despite this handicap, they were willing to do the best they could.

The majority of the team was made up of underclassmen who gained valuable experience this year, and who may be looked upon to do a fine job for Allentown High during the next few years.

GLENN SMITH
Coach

We here at A.H.S. are quite proud of the 1953 baseball team who captured the First Penn League Championship. The overall record for the season was 13 wins against only 4 losses. One of those rarities in baseball, a no-hit, no-run game, was chalked up by ace pitcher, Dick "Lefty" Klinesmith against Phillipsburg. In this game he aided his own cause by striking out 10 men. Our Canaries and Phleg played another exciting game which we lost, after a tremendous 15 inning battle, 1-0.

Dick Horn led the team with an enviable batting average of .345. He also led the team in extra base hits for the season.

Rollie Passaro and Dick Klinesmith were ace hurlers for A.H.S. during this season.

Passaro won 5 and lost 1 for a percentage of .833. Klinesmith had a record of 7 wins against 2 losses for a percentage of .778. He held the record for the most strikeouts with 122 men going down under his powerful arm. He also pitched the most shutouts, and won the most games. During this season he was voted as the team's most valuable player.

Coach Kenneth Wildonger and his assistant "Milo" Sowards are to be congratulated for the time they did, not only this year, but in years past in bringing forth outstanding baseball teams here at A.H.S.

Canary Thin Clads

Row one: Mike Miller, Don Kistler, Neil Reichard, Durrell Rider, Dick Shurilla, Dick Kressler, John Saylor.
 Row two: John Cyphers, Jack Smith, Bob Bear, Edward Bannon, Dick Fischl, Charles Weider, Dale Peters.
 Back row: Henry Wright, assistant trainer, James Richardson, Jim Tannous, Perry Scott, assistant coach, Bob Kline, John Hickum, Paul Clymer coach.

1953 was a banner season for the track team here at Allentown High. Under the direction of Coach Paul Clymer and his assistant, Perry Scott, they compiled a most enviable record of four wins against nine one-loss. They also placed first in the District 11 meet and fifth in the P.I.A.A. State meet.

The Canary thin clads were sparked by their leader Dick Fischl who tied the record for the 100 yard dash and set new records in the 220 yard dash, 120 yard high hurdles.

When the final scores in the District 11 P.I.A.A. track and field meet, held at Pottsville this year, were tabulated, Allentown led with 60 points. Dick Fischl broke the records for the 100 yard high hurdles with a time of 14.8 and led the scoring for the 120 yard low hurdles with a time of 19.7. Bruce Wetherhold, in the 440, Frank Reinhart, in the shot put, Dale Peters, in the pole vault; and Robert Kline, in the half-mile gathered enough additional points to give Allentown a first place in the meet.

In the P.I.A.A. track meet held at Coatesville to determine state champions, Allentown High collected 112 points. Dick Fischl placed second in the 120 yard low hurdles, Dale Peters placed fourth in the pole vault, while the 880-yard relay team made up of Neil Reichard, Richard Kressler, Mike Miller, and Dick Fischl came in second.

Principal for a Day John Mascali

One of the most respected positions at Allentown High School this year was held by John Mascali who reigned as Principal-for-a-Day.

John was the sixth senior to hold this office. Because they sold the most CANARY subscriptions, the seniors won the right to elect a capable member of their class to act as Mr. Bartholomew's substitute for a twenty-four hour period. John Mascali emerged victorious.

Included in John's tour of duty were visits to the shops, supervision of spelling bee progress, classroom visitations, and a general inspection of the A.H.S. physical plant. As a part of his daylong term, he also attended an administrative caucus where, among other things, he looked over high school expansion plans. Another added attraction for John was lunch with "former principal, Bartholomew."

1953 Future Scientists of America Award Winners, sponsored by the National Science Teachers' Association and the American Society for Metals

Our Future Scientists

Each year Allentown High School is proud of its science students who win awards in local, state, and national contests. This year approximately fifty boys and girls are taking part in the 8th annual science fair. This participation furnishes them with excellent material for entering the Westinghouse Science Talent Search. This same information can also be used in the Future Science of America Award winners

1951 Honorable Mention in Westinghouse Science Talent Search

Harold Scanlon
Richard Stevert

Boys' Intra-Murals

The girls' and boys' intra-mural sports programs differ in that the boys enjoy waterpolo and pass football, while the girls are busy with hockey and soccer.

For team names, the boys usually choose the name or nick-name of their favorite college. Most unusual about this is the fact that in both the pass football and basketball leagues there were teams named Cedar Crest.

In the 1953 volleyball intra-murals, the Stroudsburg team, captained by Jim Richardson, came out as the winners after a series of scheduled games played after school. These teams, consisting of six members each, begin their contests in the early spring.

The water polo league, a comparative newcomer to the boys' schedule, is made up of five man teams with two substitutes each. The Michigan team, headed by Frank Rosade, won the school water polo crown after a series of fast moving games played in the Little Palestra swimming pool.

The game of pass football, played in the Jack Coffield stadium, has proven to be one of the most popular sports on the boys intra-mural program. Bob Benner captained the Warriors who captured the pass football league's crown.

Another popular boys' sport is basketball. These games are played twice a week in the Little Palestra until the winners are determined by a championship playoff game. Duke, headed by Jake Hess, captured the basketball championship this season.

A sure sign of spring is the opening of the golf clinic. This clinic is open to all students interested in receiving instruction in golf. A champion is chosen through a series of playoffs. In 1953 Gibson Smith was the champion. This earned him the honor of having his name engraved on the golf trophy, donated by the Witwer Jones Sporting Goods Store.

In 1953, badminton was open to both boys and girls for the first time. The games scheduled in this tournament were played in the Little Palestra after school. Chris Feller was crowned as the champion badminton player after the first seasons' schedule was completed.

Archery is another sport which has recently been added to an ever expanding intra-mural sports program here at Allentown High. At the present, archery is on an instructional basis, but it is believed that regular contests will be held sometime in the near future.

Girls' Intra-Murals

The recent round of sports in the girls' intra-mural sports program was the most successful one the Physical Education department has ever had. More girls participated in the recent program than ever before, and with more interest than ever before.

Girls' intra-mural baseball was divided into two leagues during 1953. One league was composed of the regular girls' teams, and the other was made up of girls who had participated in the aquacade and who had to start their games later because of this. The teams were named after famous baseball players. Lou Gehrig, a junior team captained by Marilyn Glass, succeeded in capturing the school championship.

The girls turned to famous musical composers for their team names during the volleyball season. Gershwin, a senior team, headed by Margie Duld, copped the school championship after a round of scheduled games and playoffs.

Also in among the fall sports we find hockey and soccer, soccer, being new to the sports program this year. For hockey the girls turned to their favorite breakfast cereals for team names, and in soccer they became grammar conscious and chose the parts of speech after which to name their teams.

Since old man winter interfered with these outdoor sports before the scheduled games were completed, honor teams were chosen because of their ability to play the game, and for their good sportsmanship.

Ping pong was another game which enjoyed increased popularity this year. Shirley Rabinovitz, a senior, garnered the school ping pong championship for the second consecutive year.

Basketball foul shooting is probably the most widely participated in contest for girls. Almost every girl in the school had her chance to toe the foul line and try her hand at sinking free throws. Anita Tretter, a junior, was the winner in this contest.

Basketball season found the girls intra-mural teams named after current magazines. Life, a senior team headed by Margie Duld, cornered the school championship for this season.

The girls' basketball honor team enjoyed it's most successful season in recent years with an overall record of six wins against three losses. Their schedule included games with Wisconsin, Catasauqua, Winton, Central Catholic, Breckley, and Emmaus. They played several close games including a 51-50 overtime loss to Central Catholic, and a 53-51 victory over Catasauqua. Margie Duld, a senior, led the scoring attack with 228 points for the season. She was followed by Rita Tibensky, a junior, who accumulated a total of 116 points for the team.

<i>Treasurer</i>	LOIS MOYER

The Class of 1954

We, the senior class of 1954, come to the end of our public school education with a feeling that we have done our best work, but have still had a worthy record of accomplishments.

We chose as our officers capable students whose honest desire was to achieve the best for our class. Their cooperation has proved successful throughout the years.

Our memories will linger not only in the classroom but on the stage and dance floor as well.

We remember having the indignity of finishing a term paper, a few tough algebra problems, or a Latin translation. Those weekly gym exhibition practices are also among the unforgettables.

We will never forget the thrill of participating in or witnessing as part of the rehearsal, the Canary Variety Show, the Spring Concert, and the Fashion Show. The dramatic abilities in us were brought to light by our Junior and Senior Class Plays.

Numerous dances throughout the year spotlighted the calendar, but the main attraction by far was the "Senior Farewell." It was a perfect climax to a sensational year.

Our winning school spirit was displayed on the gaudron, the basketball court, the mat, and in the pool, as we cheered our team on to victory.

In Memoriam

DALE L. F. RUIZ

Dale, a technical drafting student, came to us as a transfer from Central Catholic. He was planning to join the navy after graduation.

It is with deep sorrow that we note his passing to a reward eternal on February 26, 1954, as a result of a head-on-collision after the Allentown-Reading Catholic basketball game on February 23.

During his brief stay at Allentown High School, he made many friends, and it is with regret that we must note his sudden demise.

Acknowledgments

We, the Comus staff of 1954, cannot find words enough to express our sincere thanks for the many and varied services rendered us by the faculty and personnel

The Comus staff will always owe a deep debt of gratitude

To Mr. Bartholomew, our principal, for his all-round cooperation

To Mr. Fatzinger, for his helpful assistance in scheduling the advertising pictures

To Mr. Horst for scheduling Comus club pictures

To Mr. Musselman and his art department for their excellent art work throughout the Comus

To Miss Gerhard and the English Department for helping the students write their Comus biographies; and to Mrs. Kunkle and her classes for typing them

To Mrs. Weinsheimer for her excellent job of bookkeeping

To Mr. Flexer for his aid in advertising

To Mr. Blankowitsch for his cooperation with sports statistics

To Mr. Brong and his Cinema Club for snapping the student activity pictures

To Mr. Clewell for his excellent photographic work.

To Mr. Miers and Mr. Reinhardt for the fine results in printing and engraving.

And most of all we extend our greatest thanks and sincere appreciation to Mr. Gensler for his ceaseless efforts as our Comus sponsor.

Thanks everyone for your whole-hearted cooperation.

THE COMUS STAFF

A Thank You to Our Advertisers

We are deeply indebted and very grateful to you, the merchants of our community, for your whole-hearted support in placing an ad in this year's COMUS. Our new style of advertising has won wide acclaim from many distant places. Your cooperation has made our book a success and we know that these ads will be read and re-read many times. Thanks again for helping us produce a better COMUS 1954

BARBARA
CANOVA

LEHIGH VALLEY COOPERATIVE FARMERS

1026 NORTH SEVENTH STREET

LEHIGH VALLEY COOPERATIVE FARMERS are the largest producers and distributors of milk and dairy products in the Lehigh Valley. From carefully controlled herds, the milk is pasteurized, and homogenized and packaged by the most modern machinery and under the most rigid sanitary controls. Anita Gianneli, Richard Wick, Mae Welter, and Philip Kline are expressing their approval of the new bottles from the new packaging machine. LEHIGH VALLEY DAIRY Milk, Cream, Cheese, and Ice-Cream are always of the finest quality.

THE MERCHANTS NATIONAL BANK

Main Office
702 HAMILTON STREET

Branch Office
TILGHMAN STREET AT RIDGE AVENUE

THE MERCHANTS NATIONAL, which has served the people of the Lehigh Valley for more than fifty years, is known as *YOUR FRIENDLY BANK*. Burton Cunin, Octavia Klinert, Norman Sensinger, and Lois Lobach are being given expert advice by Mr. Earl A. Burkhardt, assistant cashier, on the best way to save and invest their money. Many of our students and graduates enjoy making this bank their bank because of the congenial atmosphere and friendly employees who are willing to solve their problems.

NEW YORK FLORAL COMPANY

NINTH AND HAMILTON STREETS

"Flowers of Distinction" is the motto of the NEW YORK FLORAL SHOP. The crown of orchids that Bill Helfrich has given to Nancy Baum adds the final touch to the beginning of a perfect evening. Joan Beazley is thrilled with Warren Bechtel's choice of a flower bedecked fan. All students will agree that to make that dance date the very best, NEW YORK FLORAL SHOP offers the finest. This is the place for quality and good taste in all kinds of floral arrangement.

MIERS-BACHMAN LITHOGRAPHING COMPANY

330 SOUTH WEST STREET

MIERS BACHMAN, the leading lithographers and printers in the Lehigh Valley, have again turned our manuscript into a Comus that reflects quality workmanship. John Sabo is showing Bruce Wetherhold and Russell Saylor the craftsmanship that makes them tops and a favorite with the schools in this area. The staff at MIERS-BACHMAN has been most co-operative and these pages reflect their excellent printing.

CALL-CHRONICLE NEWSPAPERS

ALLENTOWN, PENNSYLVANIA

More than 86,000 Lehigh Valley families depend on THE MORNING CALL, EVENING CHRONICLE and SUNDAY CALL CHRONICLE for the complete news of the nation, the world, and their own communities. High School students enjoy reading these newspapers not only because they report the news of school activities, but because up-to-the-minute news stories and features keep them in constant touch with the world about them.

Here Lenore Hamilton, Suzanne Wertman, Clara Louise Keener, and Louise Fritzche are fascinated at the speed with which the newspapers are written, assembled, printed, and circulated.

LEHIGH VALLEY TRUST COMPANY

634 HAMILTON STREET

Follow the advice of many satisfied patrons and open your new account at LEHIGH VALLEY TRUST COMPANY where you will enjoy courteous service in all phases of your banking business. Mrs. Evans is assisting Pat Smith and Pat Shiner in opening their savings accounts. Charles Schmerker has shown his approval and they all agree that the seniors should open an account if they have not already done so. Let the LEHIGH VALLEY TRUST COMPANY help you in establishing your standard of living.

WSAN

39 NORTH TENTH STREET

"This is WSAN, the first station in the Lehigh Valley. Now we take you to our afternoon cooking show, and your demonstrators for today Thomas Breiner and Linda Schaefer." This is only a sample of the variety and well-planned programs which WSAN offers you. For an evening of relaxation, tune in to WSAN.

DE CHRISTOPHER STUDIO

625 HAMILTON STREET

It's proper lighting, good setting and excellent workmanship that makes DeCHRISTOPHER portraits a favorite among high school students. Peggy Lewis will be thrilled when she receives her portraits of quality workmanship at moderate prices. Mr. DeChristopher takes a personal interest in all his portraits. They make beautiful gifts for any occasion anytime of the year. For your portrait see DeCHRISTOPHER'S.

Freihofer's Bakery

UNION BOULEVARD & QUEBEC STS

Enriched bread that is always fresh is made for you by FREIHOFER'S BAKERY. Mary Alice Fisher, Jeanne Kocay, and Richard Bohner are fascinated as freshly baked "Pride 'N Joy Bread" is brought out of the long ovens. They will assure you that all FREIHOFER'S bake goods are nutritious and delicious. Reach for FREIHOFER'S the next time you shop.

PAUL FRITZSCHE

Builder of Pipe Organs and Maintenance

112 W. EMMAUS AVENUE

There is nothing sweeter than organ music. Especially when it is a FRITZSCHE ORGAN. Greta Soltys and Suzanne Bowman on a visit to the factory were amazed at organ construction and delighted by the beautiful tones brought out by Mr. Fritzsche at the console. The FRITZSCHE ORGAN is the organ for church, auditorium or home. Allentown is proud to be the home of the FRITZSCHE PIPE ORGAN.

Dobnoff's

617 HAMILTON STREET

Louise Fritch and Pat Honochick are all excited over their new formal for the big prom. Gordine Evans has helped Louise choose a beautiful coral gown, and Pat chose an aqua. DOBNOFF'S is proud to be a part of the Annual Fashion Show and serve the girls with latest styles at reasonable prices.

H. LEH & COMPANY

626 HAMILTON STREET

High school seniors chose the photography studio at H. LEH & COMPANY for their graduation portraits. Dale Witthuhn, Pat Ruth, Roy Snyder, and Faith Whitehouse display their pleasure on seeing a graduation portrait shown to them by Gienna Feller. Maurice Friedman shows them the fine points of workmanship that go into all their portraits. Recopying old and treasured pictures is another service of the studio. Next time you need a portrait, see the photography studio at LEH'S.

H. LEH & COMPANY specializes in fine sportswear for all occasions. Jacqueline Price has chosen her new summer blouse from a complete selection of all styles. Margie Van Gilder and Dorene Kutz agree that whenever they need sportswear, they can depend on LEH'S, for "It Always Pays To Shop At Leh's".

TREXLER LUMBER COMPANY

1602 GORDON STREET

Mr. Victor E. Fritz, General Manager, is showing Barbara Canova, Mary Conti, Edward Bannon, and Richard Crush TREXLER LUMBER COMPANY'S fine millwork. Robert Lichtenwalner is operating one of the many machines that together with high grade material and excellent workmanship produces the high quality millwork. At TREXLER LUMBER COMPANY you can rely on dependable service and excellent material whether one anticipates new construction or remodeling.

Callahan's

Callahan's

EIGHTEENTH AND ALLEN STREETS

For your safer and easier riding pleasure, be sure to insist on a "Callahan Quality retread. Whether large or small, Rochelle Schwartz and Donna Roth show you there just isn't any substitute for Seiberling tires. They say, "We're peeping through the hole, to tell you what you ought to know."

Everett & Associates

COMMONWEALTH BUILDING
ALLENTOWN, PENNSYLVANIA

For fine architectural services regardless of type or size one should see EVERETT & ASSOCIATES. Their skilled staff is ready to plan for all needs. Here Linda Dasher, Mitchell Karp and Spencer Tuchinsky are looking over a scale model of the new Parkland High School by EVERETT & ASSOCIATES

Wenner Beverage Company

320 N. FRANKLIN STREET

Your Next Drink

WENNER BEVERAGES, Lehigh Valley's finest. John Wenner, Joan Shimer, Joan Flemming, and Ronald Hari are watching the famous Wenner Birch Beer as it comes off the bottling line. For a cool refreshing drink, insist on WENNER BEVERAGES

Goodman & Bell, Inc.

725 N. 19TH STREET

The new Muhlenberg School addition is a fine example of the superior work done by GOODMAN AND BELL, contractors. James McConnell, Nancy Fink, and Joanne Szulga are impressed by the excellent workmanship which has gone into making this school addition one of the finest and most modern in our city

P. A. Freeman, Inc.

JEWELER

911 HAMILTON STREET

For the best in class rings, engagement rings, jewelry, silverware, china and glassware, FREEMAN'S is the ideal place. Mrs. Anderson is fitting John Sapoch for his class ring while Lois Moyer looks on. FREEMAN'S is a member of the American Gem Society and their certified gemologist is ready to assist you in determining the full value and quality of your diamond engagement ring

Wetherhold and Metzger

Central City Store Up-Town Store
719 Hamilton St. 953 Hamilton St

Eleanor Driesbach and Doris Gossman are here for their selection from the many Famous brand names found at the WETHERHOLD and METZGER Stores. Mr. Swavely is explaining the desirable qualities of Doris' choice while Eleanor, awaiting her turn for a pair of school shoes, admires their smart styling

Sanders Clothes

533 HAMILTON STREET

Smart High School boys shop at SANDERS because of best selection at guaranteed savings of 8 to 12 per cent on Nationally Advertised Clothing, Sportswear and Furnishings. SANDERS is known for Quality, Style and Value. Lee Schwyer and Henry Miller are pleased with the suit that Alex Beispiel is showing them

Eastern Light

520 HAMILTON STREET

Jack Strauss from EASTERN LIGHT is explaining to Carole Westin, David Lewis and Beverly Fritch the many services that are rendered by EASTERN LIGHT. For the finest in home furnishing and the latest in style see EASTERN LIGHT and you will save money

The Brass Rail

1137 HAMILTON STREET

The favorite spot in town is the BRASS RAIL where Phil's famous Italian Pizza Pies and delicious steak sandwiches are a first choice. Gail DeLong, Richard Waters, Raymond Korn and Joanne Haney stopped in on their way home from school and are waiting for their steak sandwiches. This will be a perfect ending to a hard school day. The BRASS RAIL, with its courteous service, stands ready to serve you anytime

The Allen Laundry

TWELFTH & ALLEN STREETS

Careful, dependable service that treats your clothes kindly. Robert Taschner is admiring Dolores Wiedner's coat that looks brand new after being processed in The ALLEN LAUNDRY'S Gold Seal Service. Mr. Paul R. Buckelew assures them that whether you patronize the Drive-in or Neighborhood Store, or use the delivery service, you can be sure with The ALLEN LAUNDRY

Kay Jewelers

706 HAMILTON STREET

KAY JEWELERS, known from coast to coast for their excellent quality, is your friendly jeweler willing to help you make your selection. Irving Rosenberg is showing Gerry McAllen a beautiful diamond ring while Charles Eby admires its full beauty. For top quality and prices to fit every pocket-book see KAY'S.

Kuhns and Shankweiler

SEVENTH & HAMILTON STREETS

At the man's store on the square you will always get a square deal. Bobby Bear is admiring the perfect fit for Tony Verzino as Mr. Francis Schimmel is pointing out the top quality and excellent lines. For famous name suits with accessories to match KUHNS and SHANKWEILER is the place to go.

Dahl Motors

ALLENTOWN, INC

1213 HAMILTON STREET

Nancy Bortz is lost in her dreams of driving the new Ford out of the showroom. Linda Acker and Richard Holben are wishing that they could get behind the wheel of the beautifully-styled Ford station wagon. They advise you to get your Ford at DAHL'S, a new and used car dealer that has a complete auto service shop. "It pays to deal with Dahl."

Somach's

ALLENTOWN BETHLEHEM EASTON

Looking into the future are our two bride models, Nancy Galliano and Phyllis Kramer. To have your dreams come true, visit SOMACH'S. It is a favorite of many a well-dressed High School girl, for there they may find the tops in styles and values

The National Cash Register Company

725 LINDEN STREET

James Reed, Colleen Schaffer, and Elsie Schrampf are interested in NATIONAL'S "Live Keyboard" Adding Machine, also the new models of Cash Registers, Accounting, Book-keeping Machines, and the worlds finest Adding Machines. All of these machines are serviced by factory trained servicemen

Ritz Barbecue

FAIRGROUNDS

Take the advice of Pat Mahlon, Ronald Ritz, Fred Andrews, and Shirley Reehle and stop at RITZ'S for the most delicious barbecues in Allentown. Giant ice-cream cones are a specialty and make a wonderful after-school snack.

Farr's

EIGHTH & HAMILTON STREETS

Jeannette Buss agrees with many other FARR'S customers, that shoes are "Better by Farr". She is having difficulty deciding whether to get a saddle shoe, white "buck" or a casual loafer for school. Her friend, Marilyn Eyster assures her that no matter what she selects, she will have a top-quality shoe from FARR'S.

Merritt Lumber Company

939 HAMILTON STREET

The MERRITT LUMBER COMPANY carries completely modern ideas, styles, and materials to meet all needs for building, remodeling or redecorating. The Gift Shop is widely known for its exquisite and complete selection of gifts. Mrs. Emma Walker is showing Marie Abruzere, Elaine Nogle, and Sandra Ramsay a beautiful figurine that would make an appreciated gift.

Sanders-Reinhardt Company

711 LINDEN STREET

SANDERS-REINHARDT are quality engravers. With modern equipment and skilled workmen, Thomas McDermott, Jean Rockovits, and William Krauss can readily understand why the Comus pictures are outstanding. The operator is showing them a sample of their excellent engraving, which gives them their good name.

Witwer-Jones Company

923 HAMILTON STREET

With spring around the corner and fishing tackle on display at WITWER-JONES Store, Joan Miller is most interested in tennis rackets shown by Charles Bott. Robert Brooks is testing his bow arm with anticipation. Regardless of your sporting goods needs, WITWER-JONES can supply yours at prices you can afford.

Hotel Traylor

1436 HAMILTON STREET

Denise McFadden stopped in at the HOTEL TRAYLOR with Betty Brown who is making a reservation for a friend of hers. Mr. Donald Nagle explains that the HOTEL TRAYLOR offers the best in accommodations. Rooms are available for parties, banquets, and dancing. For luncheons and dinners, the Coffee Shop is the favorite in town.

Arthur Murray School of Dancing

920 HAMILTON STREET

Mrs. Nancy Gallagher, co-director of the ARTHUR MURRAY School of Dancing, is instructing Cathy Bauer and Tony Fadale, Margie Duld and Dan Zambelli on the art of modern dancing. Young and old alike can receive lessons in any type of dancing in the new, modern ARTHUR MURRAY STUDIO

Coca-Cola Bottling Company

BETHLEHEM, PENNSYLVANIA

A familiar scene at any pleasant occasion—a Coke bar and lots of bottles of ice cold COCA-COLA. Richard Dalla Palu is serving Doris Unger and Robert Canning a refreshing Coke.

Wolf and Hahn

459 HAMILTON STREET

Are you planning to build that dream home you've always craved? If so, then you'll want the best architects you can get and that means WOLF AND HAHN.

Here you see Jack Burger, Jack Schaffer and Ed Onufer with Mr. Wolf and Mr. Hendrix examining a print for a new building. Why don't you look into the matter for yourself?

Betz's Restaurant

726 HAMILTON STREET

These two couples, along with many other young people from Allentown and vicinity, know that for a snack during the day or after a date BETZ'S is the place to go. Yolanda Pelletieri and Phil Jones, Francis Gareffa and Midge Lamont like its convenient policy of being open 24 hours a day. Good food and courteous service will make BETZ'S your favorite restaurant.

Williams Fashion Shop

801 HAMILTON STREET

What girl wouldn't be completely satisfied while making her selection from a wide variety of evening gowns or other attire? And what store could be better equipped for just this service? Here Virginia Schaup and Sandra Schuler display pleasure in their selections while Mrs. William Chandler provides her willing service.

WHOL

POPLAR & COLORADO STREETS

Our two "professionals" Barbara Acker and Harold Monk do their stuff with the modern equipment and decoration of a WHOL studio present in the background. It is no wonder that this CBS Radio affiliate provides the Lehigh Valley with the best in music, news and sports.

Royal H. Eckert, Inc.

21ST & HAMILTON STREETS

A comfortable and well-equipped desk aids a good secretary in performing her duties. Ethel Gerancher is demonstrating the fine points of the desk to Richard Fischl and Barbara Luetten, who seem to appreciate its beauty as well as its serviceability. The best in office equipment is always available at ROYAL H. ECKERT, INC.

MUHLENBERG

Muhlenberg College

ALLENTOWN, PENNSYLVANIA

With the opening of a Physical Education Building and the approval of co-education, MUHLENBERG COLLEGE is ever expanding its service to the community. George Lawson is showing Herbert Goldstein and Robert Paltzek around the new building that is just one of the steps in the new development program. A liberal arts college with many extra-curricular activities and a friendly atmosphere makes MUHLENBERG a desirable school of higher education

Manning-Armstrong

807 HAMILTON STREET

Up-to-date and highest quality can always be found in MANNING-ARMSTRONG shoes. Nancy Seagreaves, Gale Snyder, and Sally Smith are pleased with the large selection of stylish school shoes shown to them by Bud Deibert. Whether it's day time or date time, you will find what you are looking for at MANNING-ARMSTRONG

Wuchter and Berninger

1025 HAMILTON STREET

Reasonable prices and excellent quality are what attracted Albert Dantzer and Marlene Weiss to WUCHTER & BERNINGER S. C. R. Wuchter and John E. Berninger give courteous attention to smallest detail as they inquire about the fine points of the jewelry. Quick and efficient repairs on jewelry, watches and clocks add also to their fine reputation.

Bohlen, Gross and Moyer

721 HAMILTON STREET

Mr. James Gross is using Robert Knapp as a model to show John Beckum and Alfred Allender a beautiful new spring suit. It is this type of workmanship found in all suits at BOHLEN, GROSS and MOYER that gives them the distinction of being the finest outfitters of men and boys in the Lehigh Valley

Allentown School of Cosmetology

920 HAMILTON STREET

For a well-rounded course in beauty culture, ALLENTOWN SCHOOL OF COSMETOLOGY is becoming more popular everyday. Joan Werst, Nancy Smith, and Mary Hoff are willing subjects for the students. Why don't you drop in and see Martha Johnson about the advantages of a course in beauty culture

Endicott Johnson Shoes

641 HAMILTON STREET

For those who want style in footwear, ENDICOTT JOHNSON can supply the needs at moderate prices. Mrs. David LeVan is showing Jean Young and Judy Wilkins one of the many styles that are first in fashion. Many families are making ENDICOTT JOHNSON their shoe shopping center

Lavin's

621 HAMILTON STREET

*LAVIN'S are first in fashion in
Corsetry - Lingerie - Sportswear.*

Barbara Lavin is helping Carole Bauer make her selection, while Jeanne Rothenberger looks on. For courteous service and extra value, shop LAVIN'S

Cedar Crest College

ALLENTOWN, PENNSYLVANIA

CEDAR CREST COLLEGE is a fully-accredited woman's college offering Bachelor of Arts and Bachelor of Science degrees. Here Beverly Kersting is conducting Barbara Koch and Phyllis Spiro on a tour of their beautiful campus. CEDAR CREST COLLEGE has a pleasant atmosphere and a friendly student body to make your stay an unforgettable memory. The program of studies is a challenge to your initiative.

Commercial and Home Movie Service

727 NORTH 19TH STREET

James Peters is always willing to explain and help the amateur photographers. Sandra Ramsay, Earl Binder, and Neil Reichard seem interested. For fine service, for photo needs, and for a wide selection of film rentals, students and faculty find COMMERCIAL and HOME MOVIE SERVICE the favorite shopping place.

Dorney Furniture Company

612 HAMILTON STREET

To meet your home decorating problems, DORNEY'S FURNITURE STORE has many helpful hints. DORNEY'S has been established since 1877. Mr. Merlin Smith assures Edward Cooperman, Sairanne Bond and Rose Ann Fontana that they will get the best quality and up to date furniture at lowest possible prices at DORNEY'S.

Adams Feminine Fashions

709 HAMILTON STREET

Ruth A. Fink is showing A.H.S. girls a lovely selection of dresses for the graduation activities. Lois Smith has decided on her new dress and Shirley Attrill and Kathryn Ripkey have already made their selections. The lovely clothes are priced just right at ADAMS.

Lehigh Valley Gas Division

UNITED GAS IMPROVEMENT CO

"Do it better with Gas"—That has always been the slogan of the Lehigh Valley Gas Division. Mrs. Ethel Woelfel is explaining and demonstrating the fine features of a gas stove. Lois Albright and Joan Yurick agree that gas appliances will aid the housewife in running her home more efficiently.

Calvin Studio

617 LINDEN STREET

CALVIN STUDIO, a member of the Photographers Association of America, has long been noted in the Lehigh Valley for portraits of distinction. Eleanor Rosade and James Helwig are admiring some of the fine work which has always pleased AHS graduates. For beautiful pictures priced to fit your budget, see CALVIN'S

Koch Brothers

SEVENTH & HAMILTON STREETS

Girls and boys, make your clothing headquarters KOCH BROTHERS. Mr. Willis Butz is showing Dale Kressly and Bob Max a new spring suit. After they have made a selection Marlene Williams will take them upstairs to the new Lady Koch department to pick out her new spring outfit.

Freeman's Dairy

THIRTEENTH & GREEN STREETS

"Best by Test"—That is FREEMAN'S DAIRY slogan upon which they have built a business that satisfies thousands of customers. Paul Miller is demonstrating the operation of the bottling machine to Margie Schuler and Leo Stinner. For better quality milk and dairy products, buy FREEMAN'S.

Phoebe Floral Shop

1902 CHEW STREET

For the finest in flowers and floral arrangements, shop PHOEBE. Mary Reinsel is showing Robert Clewell their vast selection of Greenhouse flowers that will help to make a colorful bouquet. Fellows, at formal dance time remember your girl with a distinctive corsage by PHOEBE!

Titlow's Music Store

946 HAMILTON STREET

Musical instruments, from harmonicas to electric organs, are available at TITLOW'S MUSIC STORE. Barbara Bergenstock and Raoul Shorr, on their way to buy sheet music and records stopped off to admire an organ demonstrated by Mr. Titlow. A complete line of music supplies can be purchased at TITLOW'S.

Brown's White City Laundry

126 N. TENTH STREET

BROWN'S will always guarantee you quick, dependable service. As the attendant shows them a sample of BROWN'S quality Dry Cleaning, Marilyn S. Miller and Berdine Brown nod their approval. The customer can either call at the plant, as are the two girls, or take advantage of BROWN'S excellent delivery service.

Zollinger-Harned

611 HAMILTON STREET

Kathryn Kohler is trying on one of the newest Spring coats. Mrs. McCallister is giving aid to her as all the well-informed people at ZOLLINGER-HARNED'S do. Looking on and admiring the beautiful styles are Roberta Thomas and Judy Williams. You are sure to get a wide selection of everything at ZOLLINGER-HARNED

Young's Hardware

740 HAMILTON STREET

At YOUNG'S HARDWARE Clarence Held is making Charles Gerhart, Philip Boger and Philip Petrisky yearn for the wide open spaces to test YOUNG'S new rifles. The boys are receiving important pointers on how to use these rifles.

D & D Shirt Company

1801 NEWPORT AVENUE
NORTHAMPTON, PENNSYLVANIA

As Mr. Dasher takes Lorretta Jacobs and Linda Dasher on a tour of the D & D SHIRT COMPANY, manufacturers of men's and women's shirts, they witness the top quality material, excellent workmanship, and superior styling that makes D & D Shirts famous.

Dasher's

732 HAMILTON STREET

Discriminating men prefer DASHER'S for their appropriate, inexpensive, and well-tailored garments. Here you will find the latest in men's vogue. Mr. Norman Dasher and Mr. Bernard Dasher are showing Ed Sedora and John Mascali the new light colored one button model spring suits.

Home Restaurant

38 N. 7TH STREET

For anything from a snack to a full-course dinner, the HOME RESTAURANT has just the right food to satisfy your appetite. Bill Glose, Rosemary Brosky, Ed Pavlik, and Doris Didra are enjoying their after-school snack. Making sure his customers are well-satisfied is Paul Clymer, Jr.

Americus Hotel

SIXTH AND HAMILTON STREETS

Some enchanted evening can be spent dancing at the AMERICUS Ballroom. Viewing the Alpha Beta Tau sorority from the winding staircase you can see they are enjoying themselves at a pre-spring dance. Next time you plan a dance call the AMERICUS.
